New Salem 85 Logistics Center is located in Jefferson, Georgia 0.3 miles from I-85 with three access points off New Salem Church Road, providing superior access to Metro Atlanta and the region. Located a mere 0.3 miles from I-85, a large amenity pool and a labor force comprised of seven counties and nine metro areas, New Salem 85 is ideally situated for both domestic and international businesses requiring local, regional and national distribution. Atlanta is the largest and most dynamic industrial market in the Southeast and is ranked fourth in the U.S. in total size. The city’s mature and nimble transportation network includes the busiest passenger airport in the world (Hartsfield-Jackson Atlanta International), three major interstate highways and the Port of Savannah within a four-hour drive.
